

# Phone & Feature Guide

AT&T Tribute

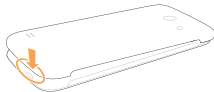

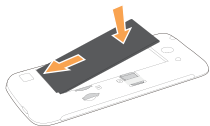

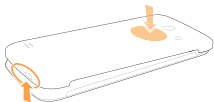

\*See User Guide for instructions in Spanish

# Phone Setup

Follow the instructions in the figures below to install a micro-SIM card, microSD card, and battery. Then press and hold the power button to turn on your phone.

- ① Press the center on the rear cover of the phone and lift off the battery cover via the slot at the end of the cover.
- ② Insert the micro-SIM card and microSD card into their respective slots. Ensure that the gold contact areas of the cards are facing down.
- ③ Align the battery's exposed gold contact areas with the battery connectors inside the battery compartment. Insert the contact side of the battery first and then gently push the battery into place.
- ④ Close the battery cover by aligning it with the slot of the phone and pressing it back into place.

# GoPhone Account

## *Auto Refill*

Take the hassle out of refilling your account by enrolling in Auto Refill.

## *From Your Device*

Call 611 from your phone. From the main menu, say "more options," and then say, "Set up auto pay."

## *Online*

Visit **att.com/mygophone**. Under Auto Refill, select **Sign Up > Manage My Account > Auto Refill**.

## *Add Money with a Credit Card, Debit Card, or Checking Account*

Call 611 from your phone and say, "Add money." Go to **att.com/mygophone** and select the **Credit Card Payment** link.

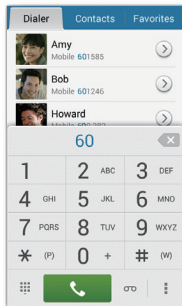

## *Add Money by Purchasing a GoPhone Refill Card*

Call 611 from your phone and say, "Add money." Enter **\*888\***, followed by your PIN number, the **#key**, and then press **Send**. Go to **att.com/mygophone** and select the **Refill** link.

# Calling and Voicemail
