Getting to Know Your Phone

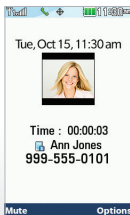

Calls

LG Wine® III's large keypad makes dialing phone numbers quick and easy.

Make a Phone Call

1. From the home screen, begin dialing a number or start spelling the name of the desired contact.
2. Press **SEND** to call the number or highlight the contact you wish to call and press **OK**.

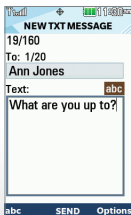

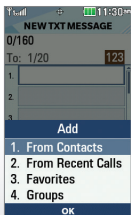

Messages

When you need to communicate quickly and privately, use text messaging.

Send a Message

1. From the home screen, press the **Left Soft Key** for **Message**.
2. Press **OK** for **New Message**.
3. Enter the recipient's number or press the **Right Soft Key** for **Add** and select **From Contacts (1)** to access your contact list.
4. Scroll down to the text field, enter your message, and then press **OK** for **Send**.

NOTE Please don't text and drive.

Personalize

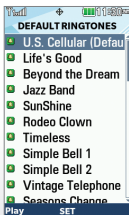

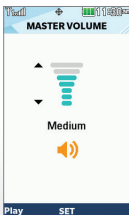

Customize your phone by changing ringtones and alert sounds for a more personal touch.

Adjust Volume

To adjust the master volume, from the home screen, press the **Volume Up/Down Keys**.

Change Ringtone

1. From the home screen, press **OK** for **Menu**.
2. Select **Settings (9) > Sounds Settings (1) > Call Sounds (2) > Call Ringtone (1) > Default Ringtones (2)**.
3. Highlight a ringtone and press **OK** for **Set**.
4. To adjust alert sounds, select **Alert Sounds (3)** in the **Sounds Settings** menu, choose **TXT Message (1) > Tone (1) > Default Ringtones (2)** and follow step 3.

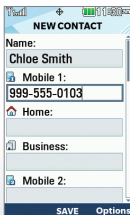

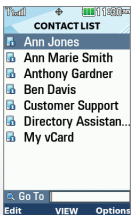

Contacts

Wine III has plenty of space to store your contacts' information.

Add a Contact

1. From the home screen, press the **Right Soft Key** for **Contacts**.
2. Press the **Right Soft Key** for **Options** and select **New Contact (1)**.
3. Enter the contact's information and press  for **Save**.

Camera

Capture every moment with the 2.0 megapixel camera.

Take a Photo

1. From the home screen, press .
2. You may adjust settings such as white balance and brightness. Press  or  to take a photo.
3. To save your photo, press the **Left Soft Key** for **Save**.

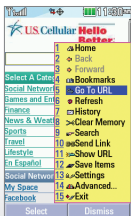

Browsing

Browse the web with ease on Wine III.

Browse the Web

1. From the home screen, press **OK** for **Menu**.
2. Select **Browser (7)**.
3. If prompted, press **OK** for **Yes (1)**.
4. Press the **Right Soft Key** for **Menu** and select **Go To URL (5)**.
5. Enter a web address, scroll down to **Go**, and press **OK**.
6. To exit the browser, press **END**.

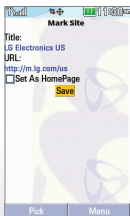

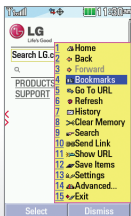

Browsing (continued)

Add bookmarks for quick access to frequently visited websites.

Add and Use Bookmarks

1. Access the browser and navigate to a site you wish to bookmark.
2. To add a bookmark, press the **Right Soft Key** for **Menu** and select **Bookmarks (4)**.
3. Press the **Left Soft Key** for **Mark Site**, scroll down to **Save**, and press **OK**.
4. To access a bookmarked site, press the **Right Soft Key** for **Menu** and select **Bookmarks (4)**.
5. Scroll down to the desired site and press **OK**.

Customize

Personalize your Wine III by changing the wallpaper and home screen banner.

1. From the home screen, press **OK** for **Menu**.
2. Select **Settings (9)** > **Display Settings (2)**.

Change Wallpaper

1. From the **Display Settings** menu, select **Wallpaper (4)** > **My Pictures (1)**.
2. Highlight an image and press **OK** for **Set**.

Change Banner

1. From the **Display Settings** menu, select **Banner (1)**.
2. In the text field, enter a new banner. If you wish, use the Directional Key to select a text color.
3. Press **OK** for **Set**.

Apps

Download applications and games from **easyedge**.

Download Applications

1. From the home screen, press **OK** for **Menu**.
2. Press **OK** for **easyedge (5)** > **easyedge Shop** > **Catalog**.
3. Highlight a category and press **OK**.
4. Follow the prompts to download content.

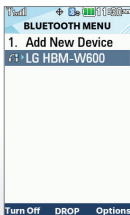

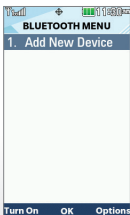

Bluetooth®

Connect to headsets, computers, and more via *Bluetooth* wireless technology.

Connect to a Device

1. Place the *Bluetooth* device you wish to pair with in pairing mode. From the home screen, press **OK** for **Menu**.
2. Select **Bluetooth (0) > Bluetooth Menu (1) > Add New Device (1)**.
3. Press **OK**. *Bluetooth* will be turned on automatically and begin searching for new devices.
4. Highlight a device name and press **OK** for **Pair**.
5. Press **OK** for **Yes (1)** to connect to the device.
